| <i>Gusbourne Rose</i>            | <i>175ml - £21</i> |

## Coravin wines by the glass—175ml

*The Coravin uses a hollowed needle, which is inserted through the cork and fills the bottle with argon gas to pressurize it, and the wine, in turn, is poured through the needle. When the needle is removed from the cork, the cork reseals, protecting the wine from oxidation and leaving the remaining wine unaffected*

### White Wine

|                                                        |            |
|--------------------------------------------------------|------------|
| <i>Pouilly Fuisse ‘Vielles Vignes’ 2020</i>            | <i>£28</i> |
